2026 RECOMMENDED BIBLE READING PLANS

2 Timothy 3:16 All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness

Joshua 1:8 Keep this Book of the Law always on your lips; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.

Psalms 119:105 Your word is a lamp for my feet, a light on my path.

The Bible is a gift.

Access to the written Word of God is one of the greatest blessings we have as believers. There are people throughout the world who have never owned a Bible, never had Scripture in their own language, who must share a single Bible among many, or who live in places where it is illegal to possess one. Yet here in America, we have more access to the Bible than at any point in history—hundreds of translations available both digitally and in print.

This is a powerful blessing, and with that blessing comes responsibility. Scripture doesn't just invite us to read God's Word; it calls us to live in it consistently. That's why having a plan matters. As the saying goes, if you don't have a plan, you plan to fail.

These recommended Bible reading plans are designed to help you stay rooted in God's Word throughout the year—daily, intentionally, and expectantly:
