How would it impact your life if your identity was stolen?
Why is it important to protect your identity?

When you know who you are, you will know what to do.
How does the devil fight against this? What are some lies that you've believed about who you are?

Read Galatians 2:20 and Ephesians 2:10. How do these verses change the way you think about your identity?

How can you relate to David in losing your identity at times during your life? Share a time when you overcame a situation by remembering your identity.

Whenever we feel vulnerable, we run to something. What do you tend to run to? How can you run towards what God has for you?

It's not about trying harder...it's about living. What is a struggle in your life that you currently can't overcome by trying harder? How can you make sure you are in the presence of God so that you can be stronger?

Take time to pray for each other to be confident in their identity in Christ. Pray to run towards God in vulnerable times.
