How hard is it to enjoy a chair, clothes, car, etc. that is not comfortable? How does that impact your attitude?

Discuss the statement, “God doesn’t call us to be comfortable, He calls us to be faithful.” What are some ways you have chosen comfort over faith? Vice versa?

How has debt impacted your life and the level of stress you maintain? What about trusting God in your finances is difficult? How does trusting God in finances help?

Are your finances being done in the right order? How have you seen the result of that played out in your life?

Give. Save. Live. What changes do you need to make? How? What help might you need from others?

How are you making God’s purpose your purpose in your finances? Share stories of how you have seen, or could see, blessings because you are trusting God in how you view and use money?

Pray Philippians 4:13 over one another around finances. Pray for freedom from debt and to see God use each other’s giving through this house to help as many people as possible Live Fully Alive.
