Share a story when you were overdressed or underdressed for an occasion or event. How does what you wear determine how you think and act?

What I wear determines if I win. What did you learn about how to dress spiritually?

Read Ephesians 6:10-17. Discuss as a group each piece of armor in this passage and the importance of each one.

The right armor requires every piece. Which pieces of armor do you wear most? Share examples of how this has helped you win.

Which pieces of armor do you wear least? How can you begin to put on these parts of the armor every day? How can the group help?

God tells us to wear the right armor and pray at all times. What does it look like for you to be praying at all times? What can you and the group be praying about for you to win?

Take time as a group to pray for each other over the areas where a win is needed. Pray to be consistent in wearing the right armor each day and be stronger.
