**How do you typically respond while waiting (in line, in traffic, for message replies, etc.)?**

**Share a story about when you waited for something (promotion, item, etc.) that someone else received before you.** How has comparing your start with someone else's finish hindered your ability to wait well?

**Sometimes our problem is our perspective.** Discuss the story of Noah (key scriptures). How did his faith help him have the right perspective? How can your faith help you change your perspective on situations when you find yourself waiting?

**Share some things you have missed out on because you got tired of waiting.** How has God helped you through a waiting season? Share those results. How does this help you follow through on your next waiting season?

**Read John 15:2.** How does having a focus on God more than anything else help you through the waiting season? What are some distractions you face? How can you begin to weed them out?

*Pray for an increased faith that will help everyone maintain focus and perspective during the waiting seasons.*
