

ALMSGIVING

DEVICE DONATIONS

Alive Church is partnering with Oasis International to provide new or gently used electronic devices to refugee families.

Oasis International is an organization that helps resettle refugees in the city of St. Louis. Many of these refugees come in with very little. When families arrive, it's common for little kids to receive various toys, but teenagers are usually left out.

In providing these devices, we are able to help provide ways of communication and fun for teens as they start over in a new country.

Oasis will accept the following new or gently used devices:

- Smartphones with 4G/LTE and higher
- Amazon Fire Tablets
- Nintendo Game Systems (2DS, 3DS, Wii, Wii U, Switch, Switch OLED)
- Xbox Game Systems (Xbox 360, Xbox One, Xbox Series S/X)
- Sony Playstation Game Systems (PS3, PS4, PS5)
